**WHAT WILL STEELCASE DO?**

Pursuant to this Limited Warranty, if a Product is defective in materials or workmanship, Steelcase will (i) repair or, at Steelcase’s option, replace the affected Product at no charge, or (ii) refund the purchase price for the affected Product if repair or replacement is not commercially practicable or cannot be timely made. In the event of a defect in materials or workmanship, these are your exclusive remedies.

A Product “defect” means an inadequacy in the materials or workmanship of the Product that (i) existed at the time when you received the Product from Steelcase or a Steelcase Authorized Reseller and (ii) causes a failure of the Product to perform under ordinary use in accordance with the materials and documentation accompanying the Product.

An “ordinary use” means use of the Product (i) in conformance with all applicable local, state or federal laws, codes and regulations (including without limitation building and/or electrical codes) and (ii) in accordance with manufacturer recommendations and/or instructions in the materials and documentation accompanying the Product.

A “Steelcase Authorized Reseller” means any dealer or retailer that (i) is legally permitted to conduct business in the jurisdiction where the Product is sold, (ii) is duly authorized by Steelcase to sell the Product, and (iii) sells the Product new and in its original packaging.

**WHAT IS NOT COVERED BY THIS LIMITED WARRANTY?**

This Limited Warranty does not apply to Product failure or loss resulting from:
- Normal wear and tear
- Failure to apply, install, or maintain Products according to published Steelcase instructions and guidelines
- Abuse, misuse, or accident
- Alteration or modification of the Product
- The substitution of any unauthorized non-Steelcase components for use in the place of Steelcase components in an integrated Product solution; such substitute components
include but are not limited to worksurfaces, leg supports, panels, brackets, shelves, overhead bins, and other integral components

The following products and materials are not covered by this warranty:
• Products considered consumables (e.g., lamps), Customer’s Own Material (COM) or non-standard textiles and materials, Huddleboard™ Ledge Grabbers, Markerboard Grips, and Flip Chart Pegs
• Variations occurring in surface materials (e.g., colorfastness or matching grains, textures and colors across dissimilar substrates and lots)
• Other manufacturers’ products (Steelcase will pass-through other manufacturer’s warranties where applicable and to the extent possible)

This Limited Warranty does not cover consequential damages (for example, the cost of repairing or replacing other property that is damaged when your Product fails). This warranty does not cover transportation to and from the Authorized Reseller or Steelcase to get warranty service, loss of time, loss of use, or other incidental damages. The implied warranty of merchantability (an unwritten warranty that the Product is fit for ordinary use) is expressly limited to the duration of this Limited Warranty. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so these exclusions and limitations may not apply to you.
